

Our Business Model

Our Impact *from Barley to Bar*

Agriculture

We brew beer and make cider from natural ingredients. By supporting sustainable farming, 100% of our main ingredients (barley and hops) will come from sustainable sources by 2030. Our suppliers comply with the HEINEKEN Supplier Code, which details our commitment and enforcement of ethical business conduct, human rights, and care for the environment.

Brewing

At our Sungei Way Brewery in Petaling Jaya, Selangor, we are on the path to net zero carbon emissions in production by 2030. Our water strategy focuses on working towards healthy watersheds by combining internal and external efforts to support water security. Our brewery has achieved zero waste to landfill since 2017.

Employees

We employ over 500 full time employees and we are committed to developing our people. At HEINEKEN Malaysia, we always aim to dream big and uncage our courage. Our One Strong Winning Team is guided by HEINEKEN's purpose to brew the joy of true togetherness to inspire a better world, as well as our values of Passion for customers & consumers, Courage to dream & pioneer, Care for people & planet, and Enjoyment of life.

Packaging

Our beers and ciders are served in bottles, cans and kegs. We aim for our packaging design to stand out from the crowd while we also strive to reduce its environmental footprint by innovating the materials we use as well as improve recycling and reusing. We work closely with our suppliers to create and scale efficient and sustainable packaging, reduce packaging waste and increase the returnability of our glass bottles.

Our Business Model

We are committed to embedding sustainability at the core of our business. Our Brew a Better World 2030 strategy directly contributes to the United Nations Sustainable Development Goals (UN SDGs) and is woven into the fabric of our balanced growth strategy.

Distribution

We work to optimise efficiencies throughout our distribution networks across Malaysia. Safety is a key priority and we continually engage our employees, distributors and logistics partners to stay safe on the road.

Customers

Thousands of businesses rely on selling our products for a source of revenue. We promote awareness of responsible serving with the aim of ensuring our products are enjoyed responsibly. Through HEINEKEN Malaysia's Star Academy quality programmes, we also improve product knowledge and empower our customers to promote appreciation of brand heritage, product taste, and service etiquette.

Consumers

Millions of consumers enjoy the great tasting beers and ciders brewed by HEINEKEN Malaysia. We strictly market our products to those who are non-Muslims and aged 21 and above only. We are committed to advocate responsible consumption and dedicate 10% of the Heineken® brand's media spend annually to promote responsible consumption.

Communities

We believe in growing with our surrounding communities. Through our corporate social responsibility arm, SPARK Foundation, we are committed to creating positive social impact and grow with our communities through our projects that focus on environmental conservation as well as providing aid to communities in need.
